International Professional Diploma in Logistics and Transport Course

This course is offered by GCS in collaboration with the Chartered Institute of Logistics and Transport Ghana (CILT, GHANA).

Objective

At the end of the course, participants will be able to:

- Professionally manage inventories and warehouse operation;
- Evaluate financing options for transport operations;
- Analyze logistics and supply chain processes; and
- Apply the principles of operating passenger transport to the Ghanaian environment.

Course Content

The course consists of six modules which candidates must successfully complete all through examinations. The six modules (coded in alphabetical order) are as follows:

- Module A - Managing Transport and Logistics Operations
- Module B - Managing Resources
- Module C - Transport Economics and Finance
- Module D - Logistics and Supply Chain
- Module E - Inventory and Warehouse Management
- Module F - Passenger Transport

Benefits of the Course

Some of the benefits of the course include:

- An opportunity to join the world's most established professional body for Logistics and Transport;
- Success in one of the most enjoyable and financially rewarding sectors of the economy;
- Qualification for membership of the CILT with post nominal as MILT;
- An opportunity to pursue the Advanced Diploma Programme (degree equivalent) in Logistics and Transport;
- Participate in all activities of the CILT, both Local and International; and
- Continuous Professional Development CILT offers its members
**Target Participants**

This course is designed for people who are already working in the industry/sector as middle level managers and who wish to develop a strategic view of the industry and their corporate operations.

Prospective applicants may be in the fields of Logistic and Transport; Freight Forwarding; Procurement and Supply; Personnel in Supply and Transport in the Armed Forces, Police, Fire Service, CEPS, Immigration; Warehousing and Stores Management; Airline; Travel and Tours; Transport Management; Shipping; and other professionals who want to change or pursue a career in logistics and transport operations and management with a strategic orientation.

**Entry Requirement**

All those who have passed at the International Certificate Level will have automatic entry.

- Graduate (degree and HND holders and equivalent) entry with relevant areas of study.
- In addition, participants must have worked in a logistics and transport environment for a minimum of three years.
- The selection panel may interview any applicant before granting admission.

**Venue**

The CILT has granted accreditation to GIMPA to run this programme. Lectures are held at the GIMPA campus.

**Duration**

The course covers two semesters. Graduates (Degree and HND holders) who are admitted directly into the level two (professional diploma) should have been granted exemption for the level one (certificate level).
